PHILCO RADIOS For 1940 are built to tune in the other side of the World as easily as across the street and to receive television sound. Chassis are heavily plated to protect them from the ravages of salt air-rust, and correction.

A NEW PHILCO high efficiency tube—LOKTAL—gives you unusual short wave gain with low noise back ground and the permeability tuning insures utmost stability under ANY climatic conditions.

# Land of Hope and Glory

Words:  
A. C. BENSON

Music  
E. ELGAR

Dear Land of Hope, thy hope is crowned,  
God make thee mightier yet.  
On Sov'ran brows, belov'd, renown'd,  
Once more thy crown is set.  
Thine equal laws, by Freedom gained,  
Have ruled thee well and long;  
By Freedom gained, by Truth maintain'd,  
Thine Empire shall be strong.

## CHORUS:

Land of Hope and Glory, Mother of the Free  
How shall we extoll thee, who are born of thee?  
Wider still and wider shall thy bounds be set;  
God, who made thee mighty, make thee mightier yet.

Thy fame is ancient as the days,  
As Ocean large and wide;  
A pride that dares, and heeds not praise,  
A stern and silen pride;  
Not that false joy that dreams content  
With what our sires have won;  
The blood of a hero sire hath spent  
Still nerves a hero son.

## CHORUS:

Land of Hope and Glory, Mother of the Free  
How shall we extoll thee, who are born of thee?  
Wider still and wider shall thy bounds be set;  
God who made thee mighty, make thee mightier yet.
